Sir,

Reference:- Board's proceedings Mis.442, dated 22nd February 1923.

Land Records - South Kanara District - Taluk Maintenance Registers - Commissioner's inspection notes - sanctioned floating advance - reduction recommended.

---

(5). The amount of floating advance sanctioned for this district is Rs.9700/- as per B.P.No.1071, Misc., dated 10th May 1917. On examination of the question I find that a -- floating advance of Rs.6950/- will suffice for the needs of the district. The floating advance sanctioned for the --- district may, therefore, be reduced by Rs.2750/-.

Your obedient servant,

Collector.

Refce: G 2186/23 dated 20-7-23

During his last cold weather inspection the Commissioner of Land Sett observed in his notes of inspection that the floating advance of Rs 1,100 for the Udupi Tk, South Kanara district was unnecessarily large and requested the Collector to examine the matter for Udupi Tk and the other talukas in the district and report whether the floating advance could be reduced.

The Collector reports that the amount of Rs 9700 sanctioned as floating advance for the district in G.O. Mis 1238 dated 30-4-17 may be reduced by Rs 2,750. The Board therefore recommend this proposal.
